

Technical Specification

Product Code: BPS5EN

Description: 24V 5A EN54-4 PSU

Dimensions 275mm x 330mm x 80mm
Battery Backup Yes
Batteries Required 2 x 12V (up to 17Ah)
Warranty 3 Year

Outputs

Number of outputs 1
Rated output 27.6V DC @ 5A

Power

Operating Voltage 93 - 264V AC

Environmental

Operating Temperature -10°C to 40°C

Construction

Material Steel
Fixing Surface
Colour White

Features

EN54-4 Certified
LED Indication for: Mains Status, Output Fault, Battery Fault, Charger Fault
