

Technical Specification

Product Code: CPS9W

Description: 9 Way 12VDC 5Amp CCTV Power Supply

Dimensions 201.5mm x 238.5mm x 61.5mm

Power

Operating Voltage (AC) 110-240V AC

Construction

Material Steel
Fixing Surface
Colour Grey

Outputs

Number of outputs 9
Rated output 9 x 12VDC Regulated @ 1 Amp (each)

Environmental

Operating Temperature 0°C - 40°C

Features

- Automatic fuses to protect the power supply from overloads or short circuits
- LED indicators for Mains power, and DC output power
- Internal switch to isolate DC outputs
- Key lock to secure internals
