

Product Code: MAGPRO96-L250

Description:

### General Information

Dimensions (mm)	75 x 80
Weight (Kg)	0.3
Warranty (Years)	3

### Supply & Power

Cable Size (mm <sup>2</sup> )	0.4 - 2.0
-------------------------------	-----------

### Inputs & Outputs

Maximum Devices Per Loop	Up to 250 Devices (Loop Calculation Required)
--------------------------	---

### Communication

Communication Protocol	Closed Protocol
Protocol Type	Custom (Closed)
Maximum Communication Range (m)	Dependant on Loop Calculation

### Environment

Operating Temperature (°C)	-10 to +65
----------------------------	------------

**Compatible Products** Compatible with MAGPRO96 and MAGPRO96G
