

Product Code: MAGPRO96GBB

Description: Battery Expansion Box in Graphite Grey

General Information

Dimensions	430mm x 330mm x 117mm
Wire Gauge	0.5mm -2.5mm
Weight (without Batteries)	6kg

Construction

Material	Metal Powder-Coated
Colour	Grey

Outputs

Output Type	Powered Output
Max Dimensions of one Battery	167mm x 181mm x 76mm
Max. Current	7A @ 1 Battery 14A @ 2 Batteries
Max. battery capacity	2x12V/18Ah
Charger outputs	13.65V A±1% @20°C Max. 2A

Power

Operating Voltage	230V~ +10%/ -15%, 0.6A, 4A fuse
--------------------------	---------------------------------

Environment

Ingress Protection	IP30
Relative Humidity Resistance	(93 ± 3)% @ +40°C
Storage Temperature	-10°C to +60°C
Operating Temperature	5°C to +40°C

Features

- Certified according to EN 54-4
- Supports 2x 12V/18Ah
